## OnHand: The perfect stocking stuffer

### Portable Sport Speaker

When the volume on a smartphone can't go up any higher, turn to a better solution, the Sports Speaker from OnHand. The Sports Speaker is loud Bluetooth® speaker that can handle the rain or shine and all the bumps going here to there. Conveniently sized to fit in any cup holder or clip on to belt loops or backpacks. Great for skiing or hiking with a 6 hour battery life and up to a 30 foot range.

**MFG# BLK-SPSOH**

### Portable Power Stick

OnHand Portable Power Sticks hold a massive 3000mAh charge allowing users to get nearly 2 full charges on their smartphone. An increased 1.5 Amp charge is even faster than charging with most household outlets! OnHand Power Sticks are compatible with any format of USB charging cord.

**MFG# BLU-PPSOH**

### Octopus Shower Speaker

When customers want to bring their music into the shower they should rock OnHand's Bluetooth® Speaker Creatures. Suction the Bluetooth® speaker to the wall of the shower and connect while the smartphone stays dry in another room. Users can control the music from the speaker and even answer incoming calls with the built in mic. Speaker Creatures are water resistant, just do not submerge under water.

## Never Lose Anything Again!

### XY3 Smart Item Tracker

XY3 is a small Bluetooth® device that works with the XY Find It iOS and Android apps to help keep things safe. Find keys, camera, or anything else using a phone. Attach an XY3, sync, and never lose it again! If an item gets lost, XY3 will help guide the user to the beacon with an intuitive hotter and colder meter. The app constantly determines where the item was last to help start searching in the right place. Users will get a notification when the item attached to a tag goes too far from their phone. All of their items are synced to their personal account so they can log into the XY Find It app from any smart device to find their items.
