Inspiration Paired with Innovation

Bring Your Notes to Life

With the Livescribe 3 Black Edition Smartpen and the Livescribe+ mobile app, simply write on Livescribe paper and watch your handwritten ink appear on a tablet or smartphone. Users gain the benefit of always having a digital backup of their notes and ideas, and they can quickly share them with friends and colleagues right from their mobile device. They can create tasks, reminders, calendar events, new contacts and more, right from their notes. They can also use the mic on a tablet or smartphone to add recorded audio that's synced with their handwriting so they can be sure they'll never miss a word. Get more done in less time—all with just a few quick ink strokes and taps of a finger. Compatible with iOS and Android!

Introducing MEEM Memory!

**NEW
VENDOR!**

MEEM Lightning USB Memory Cable for iOS

MEEM is the only product of its kind in existence: a phone charger and automatic back-up device all in one cable. Every time your student charges their phone, MEEM automatically backs up the personal data held on it to the cable itself—making MEEM a simple solution that maintains the safety and security of your users' information while fitting into their daily routine.

How to setup MEEM on iOS:

1. Plug in MEEM
2. MEEM app automatically downloads
3. Set the passcode
4. Good to go!

If your students lose their phone, they simply plug the MEEM into a new phone and their photos, calendar, videos, and contacts will be transferred in one simple step.
