Who is it for?

- » Educators
- » Assisted learning students
- » Departmental uses
- » Brain-storming sessions
- » Anyone that needs to organize, search, and share their notes

Why it fits

- » Students learn best when writing with a paper and a pen
- » Livescribe encourages collaboration between students and faculty
- » Users want digital access to analog notes

Why it's great

- » Save and organize notes and audio for easy playback from either pen or software
- » Students can record lectures so they can write less and listen more
- » Playback controls allow the user to slow down or speed up the audio recording
- » All notes can be transferred to a computer or device

How it compares

- » Unique Dot technology only with Livescribe
- » Works seamlessly with multiple platforms (mobile, tablet, and desktop)
- » Global leader in design and manufacturing of smartpens

INSPIRATION PAIRED WITH INNOVATION

Bring Your Notes to Life

With the Livescribe 3 Black Edition Smartpen and the Livescribe+ mobile app, simply write on Livescribe paper and watch the handwritten ink appear on a tablet or smartphone. Users gain the benefit of always having a digital backup of their notes and ideas, and they can quickly share them with friends and colleagues right from their mobile device. They can create tasks, reminders, calendar events, new contacts and more, right from their notes. They can also use the mic on a tablet or smartphone to add recorded audio that's synced with their handwriting so they can be sure they'll never miss a word. Get more done in less time—all with just a few quick ink strokes and taps of a finger. Compatible with iOS and Android!

Livescribe 3 Smartpen

- » Livescribe 3 Smartpen (Black Edition)
- » Livescribe + Mobile App (Free Download)
- » Livescribe Starter Notebook (50 sheets)
- » (1) Tungsten-Carbide Ballpoint Ink Cartridge (Black, Medium)
- » Micro USB Charging Cable
- » Compatible with: iPhone® 4s (or newer), iPad® 3rd generation (or newer), iPad Mini, iPod® 5th generation (or newer), and iOS8 (or newer)

DSC# 81550 | VENDOR# APX-00020
 ESRP \$233.94 | COST \$205.52

Who is it for?

- » Design, animation, illustration, game development, architecture, engineering students and faculty
- » Students looking to become professionals in their field
- » Students who are hobbyist artists

Why it fits

- » Wacom technology is used by professionals to create movies, video games, edit photos, create art, and design everything from shoes to cars
- » Built for creatives and their digital workflow
- » Many classes require students to have a Wacom tablet

Why it's great

- » It teaches students to use the products they will use in their professional career
- » Easy to set up and access training videos
- » Free US-based support

How it compares

- » Many industries use Wacom tablets; offering them in the campus store will help students become familiar with the products they will be using in the future
- » Mac and Windows compatible
- » Works with industry-standard creative software
- » Natural pen performance

wacom®

INTUOS PRO

The professional standard in creative pen tablets

Wacom Intuos Pro brings new control to creativity. The sensitive Wacom Pro Pen 2 and slim tablet design enable users to draw in unprecedented detail. And working with Wacom Intuos Pro Paper Edition, users can draw in ink on their preferred paper with the Wacom Finetip Pen and convert sketches into digital files – ready to edit in their favorite software.
