GET A GRIP ON THESE NEW DESIGNS

PopSockets offer a secure grip for texting or snapping the perfect selfie, and propping a phone up for catching the latest video. Users can reposition their PopSocket whenever and wherever they want to get it just right for what they need.

Add a single PopSocket, or a pair of PopSockets, to the back of almost any mobile device to transform its capabilities. PopSockets “pop” whenever users need a grip, a stand, an earbud-management system, or just something to play with.

A

B

EXPECT MORE THAN A DRIVE.

Creative pros have been depending on LaCie Rugged drives for over a decade because they are the most reliable way to transport and capture data in the field.

A. Rugged Mini USB 3.0

The LaCie Rugged Mini drive shares features with the popular Rugged mobile hard drive, like shock resistance, drop resistance, and a rubber sleeve for added protection. But the Rugged Mini is also rain and pressure resistant, meaning users can drive over it with a 1-ton car*, and it still works. With the Rugged Mini, LaCie has reduced the size and added tons of new features, making it perfect for on-the-go data transport.

SIZE	DSC#	VENDOR#	ESRP	COST
1TB	104647	LAC301558	\$127.23	\$99.07

B. Rugged Mini USB 3.1 & USB-C

The LaCie Rugged USB-C portable drive marries rugged durability with cutting-edge USB-C. The result is a vault for data that's compatible with next-gen computers like the Apple MacBook, as well USB computers. Featuring the market's highest storage capacity for its size, the LaCie Rugged USB-C gives users enough space to store their digital present and future. With resistance to drops, crush, rain, and unauthorized access, the LaCie Rugged USB-C is tough enough for extreme conditions.

SIZE	DSC#	VENDOR#	ESRP	REGULARLY	PROMO COST
1TB	108698	STFR1000800	\$114.350	\$104.93	\$85.87
2TB	108701	STFR2000800	\$165.40	\$140.37	\$119.29
4TB	108702	STFR4000400	\$330.81	\$261.05	

*Determined by a test that approximates a real-world scenario in which the hard drive remained functional, despite aesthetic damage, after the product was driven over by an approximately 1-ton car (1000 kg/2205 lbs).

Who is it for?

- » Photographers
- » Videographers
- » Audio students
- » Computer users

Why it fits

- » Students and faculty use a lot of data
- » Fast data transfers
- » Rugged design

Why it's great

- » Premium technology
- » World-class storage solutions
- » Active on social media sites

How it compares

- » Long term reliability
- » Unmatched technical performance
- » 24 years of visionary products
- » Award winning designs
- » Featured on MacWorld, Tech Radar, Apple, PCMag, and more!

Who is it for?

- » Educators
- » Assisted Learning Students
- » Departmental use
- » Brain-storming sessions
- » Special needs students
- » Anyone that needs to take, organize, search, and share their notes and audio

Why it fits

- » Saves notes in 3 ways: on paper, in the pen, and on the computer
- » Preference for note taking on pen and paper
- » Users want digital access to analog notes, superior to digital input

Why it's great

- » Save and organize notes and audio for easy playback from either the pen or software
- » Send and share notes and audio as standard PDF files
- » Never miss a word—record, and play back everything heard, said, and written

How it compares

- » No competitor offers the unique Dot technology
- » Works seamlessly with both PC and Mac
- » Global leader in design and manufacturing of smartpens
- » Only manufacturer on the market that synchronizes handwritten notes with recorded audio

CAPTURE IT. REPLAY IT. SEND IT.

Livescribe Echo Smartpen 2GB of Memory for Recordings and Notes

When digitizing notes and audio, users will need storage space; with 2GB of memory, the smartpen has it. The 2GB smartpen can hold over 200 hours of audio¹ or over thousands of pages of notes.

Record and Play Back

Smartpens record everything users write and hear so they'll never miss a word. Replay meetings or lectures simply by tapping on the notes².

Save, Search and Organize

Echo Desktop saves notes and recordings to a user's computer for fast, easy access to what's important. Search for words within notes and find what's needed fast.

Send and Share

Easily share notes and audio from Echo Desktop as PDFs or audio files.
