Never Miss a Word

With the Livescribe 3 Black Edition Smartpen and the Livescribe+ mobile app, simply write on Livescribe paper and watch the handwritten ink appear on a tablet or smartphone. Users gain the benefit of always having a digital backup of their notes and ideas, and they can quickly share them with friends and colleagues right from their mobile device. They can create tasks, reminders, calendar events, new contacts, and more, right from their notes. They can also use the mic on a tablet or smartphone to add recorded audio that's synced with their handwriting so they can be sure they'll never miss a word. Get more done in less time—all with just a few quick ink strokes and taps of a finger. Compatible with iOS and Android!
