INTRODUCING THE ESD SALES PORTAL

SELLING SOFTWARE IS BACK ON THE TABLE

The Douglas Stewart Company's ESD Sales Portal is a resource for you to deploy essential ESD (Electronic Software Downloads) to your students in store! By using a platform that is more conducive to current device form factors and student retail expectations, you can now generate revenue on software sales with minimal overhead.

Program details:

- Customize your portal to include a store or school name and logo
- Add additional users to the account and adjust access levels
- Choose which ESD SKUs to offer your students within the portal
- Update student pricing to account for everyday pricing or promotional pricing levels
- The portal can be loaded onto any device in store to allow your customers to place their ESD orders. Stores must have in-store Wi-Fi for customers to gain access to the portal
