Thread Wallets Elastic Cardholder

This patented credit card holder is Thread Wallets original wallet. It is as functional as it is expressive and holds two to six cards or cash. It's made with durable, tight-knit elastic that expands and contracts to keep cards secure and the slim profile still offers a front pocket. Students can attach keys, gym passes, or lanyards for easy portability.

MFG# E-F-16

Thread Wallets Canvas Vertical Cardholder

This slim canvas card holder is equipped with Thread Wallet's signature elastic pocket, which not only stretches and contracts tightly around cards, but it also gives the wallet a unique style. It holds two to eight cards and cash, and has a top access pocket with key ring to attach keys or a lanyard.
