

TABLET LOCKER

InTouch20 Secure Tablet Locker™

Petite size, huge security

With superior cord management and individual bays, the IT20 is the complete organization solution for all your tablet needs.

Just imagine,
your students
organizing each
tablet in their
assigned bay

1:1 Program

Organized

- Keep the devices safe and secure within the classroom
- A charging plug is placed in front of every bay
- All outlets located in a separately locked compartment

Friendly design

- Ample clearance is provided for easy removal/insertion of tablets
- Manages up to 20 iPads or other popular tablet computers
- Convenient cord management

Safety first

- DC separated from AC voltage
- Ventilated locker provides "chimney effect" airflow keeping equipment cool
- Optional syncing is available

Universal

- Bays will accept most tablet devices on the market
- Generous spacing between outlets allow room for most power plug sizes

Product ships mostly assembled
