# A New Way to Collaborate

Research collaboration has taken on a whole new meaning in the digital age. Your users may be spread all over, with access to different resources, but they still need to work together in order to produce truly novel research.

### With EndNote X8:

Share the entire *EndNote* library, including references, PDFs, and annotations with up to 100 people. Everyone can add to, annotate and use the library—at the same time.

With the new Activity feed, easily keep track of who is making what changes to the shared library and when.

Save your funding dollars for your research. There's no additional charge for sharing, no library size limit and no charge for unlimited cloud storage.

### Collaborate with a global team

Work from a single reference library with up to 100 people, no matter where they are located or what institutions they are affiliated with.

### Overcome research limitations

Store and share as many references, documents and files as needed – a necessity for successful collaboration.

### Stop hunting down full-text PDFs

Initiate a search for full-text PDFs across an institution's subscription and freely available sources, and it will automatically be attached once found.

### Sort through years of work in seconds

Search across reference metadata, full-text journal articles, file attachments, personal annotations, and more to locate the research needed in just seconds.

### Cite it right the first time

Insert citations and references from an *EndNote* library into a manuscript and automatically build a bibliography in over 6,000 styles.

### Take the guesswork out of journal submission

Using *EndNote* online, find the journals where research is most likely to be accepted based on an analysis of tens of millions of citation connections in the *Web of Science*.

## Show Your Support Happy Childhood Collection

Happy Plugs has joined forces with World Childhood Foundation to support Happy Childhoods. The mission with the collaboration is to build awareness and support funds for Childhood's projects globally to end all forms of abuse against children. The collection is exclusively produced for World Childhood Foundation and by wearing the headphones and cases people can show their engagement for the cause.

The Happy Childhood Collection was inspired by the colors of the dotted pattern that make the logotype for the World Childhood Foundation. Each color symbolizes an article in the UN convention of the rights of the child. The idea is to emphasize on these colors to build awareness with a collection that reminds you of everyone's right to a Happy Childhood.
