

What's New in Pro Tools

Get access to upgrades and more

All Pro Tools purchases and subscriptions now come with an All Access plan, so you can stay up to date. Get access to new releases, bonus plug-ins (see list to the right), and support with more affordable options. And if you already have an active plan, you get all the updates automatically.

Renewal for Annual Upgrade Plan* (Pro Tools upgrades only)	\$99	£69	€89
Annual Plug-in and Support Plan** (upgrades not included)	\$99	£69	€89
Upgrade reinstatement for Annual Upgrade Plan*** (plug-ins and support not included)	\$299	£199	€279

* This plan extends your existing Annual Upgrade Plan for one year, renewable annually through your Avid account.

** Only available to Pro Tools 11 customers and higher.

*** If you own Pro Tools 9 or higher software and don't have an upgrade plan, or allowed one to expire, this plan will upgrade you to the latest version and provide all new releases for one year, renewable annually for \$99/year.

The most affordable Pro Tools ever

Pro Tools perpetual licenses are now available for the new low price of \$599—that's \$300 less than the previous price. Plus, you get a one-year \$99 Annual Upgrade Plan and one-year access to the bonus plug-ins included. And you can add an Avid Support Plan for only \$99/year.

Pro Tools perpetual license (includes Annual Upgrade plan, 1-year access to bonus plug-ins, and 1 Avid Support Code*)	\$599	£399	€559
Pro Tools Annual Subscription License (includes upgrades, bonus plug-ins, and support)	\$299	£199	€279
Pro Tools Monthly Subscription License (includes upgrades, bonus plug-ins, and support)	\$29.99	£19	€29

* Valid within 7 days of activation
