Protect Your Hard Drive with LaCie

LaCie Rugged USB-C

The LaCie Rugged USB-C portable drive marries rugged durability with cutting-edge USB-C. The result is a vault for the user's data that's compatible with next-gen computers like the Apple MacBook®, as well as USB computers. Featuring the market's highest storage capacity for its size, the LaCie Rugged USB-C gives students enough space to store their digital present and future. Massive capacity lets them use the LaCie Rugged as a shuttle drive to transport footage from set to post-production or to store a huge Lightroom library.

Creative pros have been depending on LaCie Rugged drives for over a decade because they are the most reliable way to capture and transport data in the field. With resistance to drops, crush, rain, and unauthorized access, the LaCie Rugged USB-C is tough enough for extreme conditions—from a sudden rainstorm to a crush of suitcases in an airplane cargo hold.

INTRODUCING THE ESD SALES PORTAL

SELLING SOFTWARE IS BACK ON THE TABLE

The Douglas Stewart Company's ESD Sales Portal is a resource for you to deploy essential ESD (Electronic Software Downloads) to your students in store! By using a platform that is more conducive to current device form factors and student retail expectations you can now generate revenue on software sales with minimal overhead.

Program details:

- Customize your portal to include a store or school name and logo
- Add additional users to the account and adjust access levels
- Choose which ESD SKUs to offer your students within the portal
- Update student pricing to account for everyday pricing or promotional pricing levels
- The portal can be loaded onto any device in store to allow your customers to place their ESD orders. Stores must have in-store Wi-Fi for customers to gain access to the portal
