

Safer Students. Better learning.

GoGuardian helps thousands of K-12 schools maximize the learning potential of every student by creating safe and effective digital learning environments. Our technology products help educators inspire curiosity in the classroom, protect students from harmful or distracting content, and support student mental health.

Today, over 7+ million students are safely exploring more of the internet with the industry's most advanced device management platform. That's why GoGuardian is the fastest growing education company in the US.¹

Our customers love what we do and who we do it for.

GoGuardian is superb at keeping our students on-task and engaged. Thanks for a great product, and for being so responsive to requests and suggestions.

5th Grade Teacher
Cockrell Elementary School

GoGuardian for us was a complete package. Our teachers fell in love with it within minutes and said, 'whatever you do, don't take away GoGuardian.'

Shad McGaha
Chief Technology Officer
Wichita Falls ISD

GoGuardian allowed us to open up the Internet for our students so they may explore it, learn from it, and most importantly, build smart and practical habits when it comes to using it.

INTRODUCING

The GoGuardian Suite

Unify your filtering, classroom management, and school mental health tools into a single suite. Reduce the overall complexity of your environment while streamlining your procurement and deployment process. The GoGuardian Suite helps you maximize the learning potential of your 1:1 school technology program.

Benefits of a unified solution:

- Configure and manage everything from a single unified interface.
- Simplify your digital learning environment with integrated technology.
- Easily identify actionable insights across your district, classrooms, and devices.
- Save money through bundling.

INCLUDED IN THE SUITE:

GoGuardian Admin™

Filter and monitor any device and any OS with K-12's most powerful content filter.

GoGuardian DNS™

Keep all your BYOD users and guests on your network safe with a scalable DNS filtering solution built specifically for education.

GoGuardian Parent App™

Give parents direct access to their student's device activity and additional filtering controls from an easy-to-use mobile app.

GoGuardian Teacher™ **NEW**

Eliminate distractions and connect with students with K-12's leading classroom management software, now with video conferencing.

GoGuardian Beacon®

Proactively identify students at risk of suicide and self-harm, with an option of 24/7 escalation.

GoGuardian Fleet™

Easily deploy, manage, track, and maintain your entire Chromebook inventory across your school or district.
