Testimonials

After using the trial, and consulting with the Typesy staff it was an easy decision that I do not regret. Pupils aged 12-16 are making fantastic and measurable progress."
  - **Shaun Johnson**, Technology Teacher, Manningtree High School

"I'm delighted to say that the program is excellent and the students enjoy using it. We are impressed with Typesy's response to our queries."
  - **Rosanna Sofoulis**, Business & IT Teacher, Cyril Jackson Senior Campus

"Typesy's cloud based design provides great flexibility for classroom organization...very simple to implement and has not burdened our network resources."
  - **Mark Nowak**, Technical Director, Bethany Christian School

"The Typesy program is going well. Students really enjoy it and one is now competing with the school office staff. His original score was 24 wpm. Updated score is 55 wpm in 6 weeks!"
  - **Donna Griffiths**, Staff/Instructor, Kowhai Intermediate School

"Typesy is by far the best typing tutor software on the market today...guarantees to be a helpful aid to your typing skills."
