ALIENWARE™ 

uncompromised visual performance

The Alienware m15 R6 Gaming Laptop is still first in fast

Crystal-clear action:

Whether students are gaming at their leisure or in the thick of battle, they'll never miss any critical details thanks to smoother gameplay. Thanks to Dell's deliberate engineering decisions, the latest m15 is incredibly fast starting from 165Hz.

Give their eyes a break:

Each m15 R6 display option includes Dell's ComfortView Plus low blue light technology. This is a hardware-based approach to filtering blue light without harming image quality designed to give users confidence to game for hours on end.

freedom from wires

is a gift that keeps on giving

Students will feel at one with their music and their world. With no wires holding them back they can enjoy their favorite music with JBL Pure Bass. The JBL TUNE 225TWS earbuds seamlessly connect them to their music and calls. Just open the case and start listening, as the JBL TUNE 225TWS earbuds immediately pair with their device, while Dual Connect lets them use either earbud, or both. Users can listen longer and in comfort, with up to 25 hours of battery life.

HAPPY PLUGS

color their days with music

Meet the smallest and lightest true wireless headphones packed with new tech from Happy Plugs. Air 1 Go makes it easy to go truly wireless, with all your students' favorite features and at a price as small as the headphones themselves. Each earphone has touch controls for all the features they're used to and yes, it sounds brilliant too.
