

A photograph of two women sitting together, looking at an Apple laptop. The woman on the left is wearing a grey hoodie and has her hair in braids. The woman on the right is wearing an orange top and has curly hair. They are both smiling and appear to be engaged in a conversation about the laptop. The background is a warm, wooden wall.

Stylus for iPad[®] and iPhone[®]

The Adonit Pro 4 is lightweight but highly durable. It glides across the screen without offering too much or too little resistance with the feel of a fountain pen. The fine point and soft touch precision allow for easy, accurate movements while also adding a layer of stability and scratch resistant technology.

LAUT™

Stylish AirPods Protection

Protect their AirPods in style. These cases are equipped with hard polycarbonate inner casing to ensure durability and long-lasting protection. Effortlessly subtle and sleek. Made from soft vegan leather with Qi wireless charging compatible and an included carabiner.

Rugged iPad® Protection

The UAG Rugged Bluetooth® Keyboard with Trackpad offers 360-degree unstoppable protection. Utilizing a rugged, non-slip exterior, the Rugged Keyboard represents UAG's commitment to protection. With Bluetooth® connectivity, this keyboard offers a superior laptop style typing and tracking experience, backlit keys and is spill resistant. Low power Bluetooth® connectivity keeps your keyboard running longer on a single charge.

Charge Up Apple Devices

No more replacing torn and frayed cables. The braided nylon of this cable will last longer so students will always be able to charge their Apple devices. Apple MFi-certified cables are extra-long, making them perfect for dorm rooms and other student needs.
