BOOMING BASS IN A COMPACT PACKAGE

Crank up the fun with JBL Flip 5 speaker. With powerful sound and up to 12 hours of playtime, the party never has to stop. The waterproof design, durable fabric material, and rugged rubber housing keeps the Flip 5 safe wherever students take it.

GO GREEN WITH THE FLIP 5 ECO!

The JBL Flip 5 Eco edition not only has all the amazing features of the Flip 5 speaker but is also made from 90% recycled plastic and has an eco-friendly packaging.

FROM CLASS TO WEEKEND GET-AWAYS

Solo New York offers an array of laptop backpacks featuring distinctive styles and functions, so students can stay organized no matter where life takes them. Whether they need a travel laptop backpack, a basic slim backpack, or something stylish, Solo New York is the way to go.

FIND THE RIGHT BACKPACK FOR YOUR STUDENTS:

RE:CLAIM Recycled Backpack

- Made from recycled PET bottles.
- Fully padded compartments fit 11in-15.6in laptops/ultrabooks, and 11in-15in MacBooks.
- Front zippered pocket with organizer section and key clip and side mesh pockets.

Arc Backpack

- Fully padded 17.3-inch laptop compartment with an internal iPad/tablet pocket.
- Front zip-down organizer section with key clip, quick access pocket, and slide mesh pockets that fit most water bottles.
- Expandable open file compartment.

Elite Backpack

- Fully padded 15.6in laptop compartment with an internal iPad/tablet pocket.
- Large side pockets and separate show/laundry compartment.
- Padded straps for added comfort.

Region Backpack

- Fully padded laptop compartment.
- Quick access pocket, interior organizer section, side mesh pockets, and back strap luggage handle.
- Made of lightweight, smooth nylon fabric.

MOVO

Creators Wanted

GEAR FOR ASPIRING CONTENT CREATORS

Looking to inspire students who want to be content creators? Look no further than Movo! Movo offers accessible, high-quality content-creation equipment at a student's price point.

Smartphone Video Kit

Effortlessly level up their YouTube videos, interviews, vlogs, livestreams, and more with the compact and lightweight smartphone video kit.

iVlog Starter Kit Vlogging Bundle

Perfect starter kit for shooting professional style video from an iPhone with a lightning mic, LED light, rotating phone mount, wrist strap, grip and a mini tripod all included.

Universal Video Recording Microphone

On-the-go microphone that is small, durable, and lightweight. Easily plugs directly into a camera or smartphone and does not require a battery.

Mini Omnidirectional USB Computer Microphone

Get accurate, professional audio recordings with omnidirectional condenser microphone that plugs directly into a USB port.

The Best Stylus for This Semester

Give students a power-free, accurate, and sensitive stylus so they can jot-down ideas anytime, anywhere. Adonit Neo conveniently attaches magnetically to the tablet, giving ideal portability and organization.

Pixel Perfect and Magnetically Attachable

No more frustrating misplacements thanks to the pen easily attaching magnetically to the side of the student's tablet.

Native Palm Rejection

Say goodbye to leaving stray lines thanks to native palm rejection. Students can rest their palm comfortably on the screen as they write.

Compatibility

Compatible with most Windows powered tablets and 2-in-1 devices.

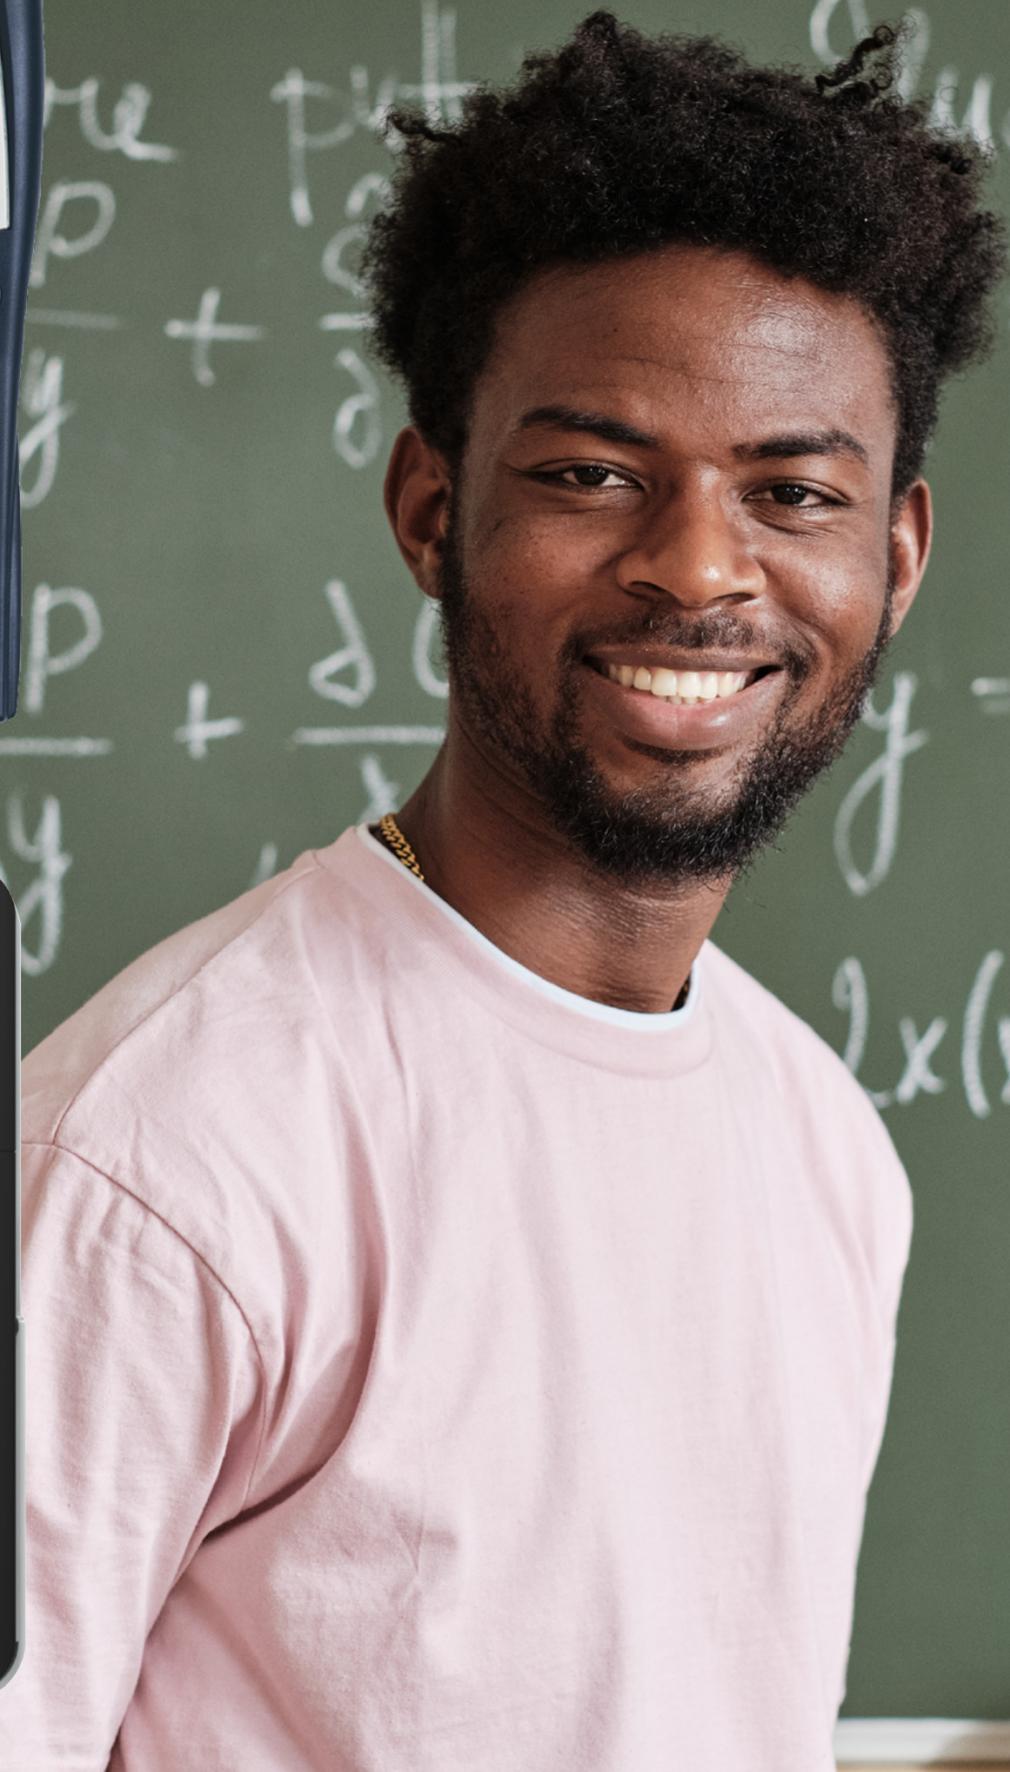

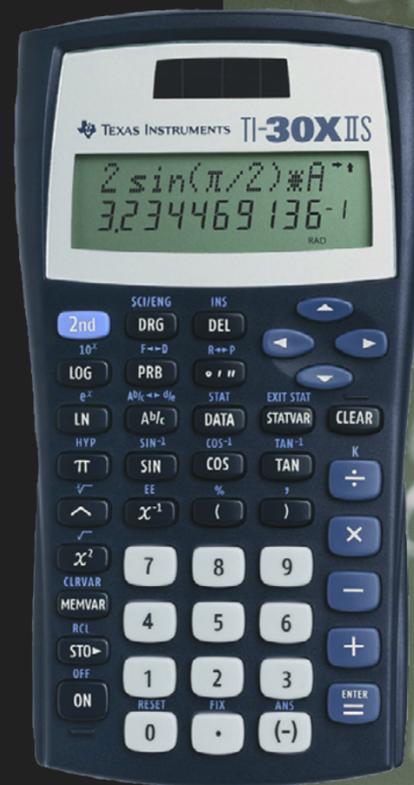

Calculators for Every Need

Why do teachers recommend Texas Instruments?

- Built to last.
- Ability to a variety of conversions and advanced calculations.
- Options for mathematics, statistics, science, finance, and more.
- Battery-powered, rechargeable, and solar-powered options.
- Sleek, thin designs.

Get top-selling school supplies from 3M

FOR THEIR DORM Command™ Adhesive Hook

Forget about nails, screws and tacks, Command Hooks are fast and easy to hang! Using the revolutionary Command Adhesive, these hold strongly and remove cleanly with no holes, marks, sticky residue, or stains. Easily recharge with a Command Refill Adhesive Strips to take down, move, and reuse.

FOR THEIR STUDYING Post-it® Sticky Notes

Post-it Sticky Notes are ideal for indexing, flagging, tabbing, and prioritizing. With parchment-like paper, these notes have a textured feel with an upscale, professional look.

FOR THEIR SAFETY 3M Chemical Splash and Impact Safety Goggles

These safety goggles meet American National Standards for industrial protective eyewear. The vertical ventilation openings help reduce lens fog-up and the tough polycarbonate lens provides both impact protection from chemical splash and superior optics.

FIVE STAR.
 ★★★★★
BUILT STRONG TO LAST LONG™

Stock Up on Top Sellers

Make sure you're stocked up on the essentials to set students up for success. These top sellers from Five Star are must-haves for second semester.

Five Star Notebooks are guaranteed to last students all year with water resistant covers, high-quality paper, and reinforced storage pockets.

Double the strength of the competition, Five Star's Reinforced Filler Paper features new patent-pending triangle-shaped holes and new stronger reinforcement tape.

Five Star Square Deal Composition Books are perfect for note-taking all year. Students appreciate the extra durable design with the one-piece plastic cover with paper stitched in for strength throughout the school year.

DURACELL®

Charge Up Second Semester

Duracell CopperTop Alkaline batteries are best suited for the devices students use most. Students need the long-lasting, reliable power of Duracell to get them through Second Semester with ease.

No Smears, No Smudges

Stock up on these sustainable, top sellers from Pentel.

Pentel

Pentel Twist-Erase **CLICK** Mechanical Pencil

No smudges, no paper tears, and no ghosts with the twist-up eraser. The quick-click side button advances lead without interrupting the flow of their writing. Made of 59% recycled plastic.

Pentel Super Hi-Polymer Replacement Lead

Stock up on this #1 selling brand of lead refills that fit all Pentel mechanical pencils and competitor pencils. The super-strong graphite formula resists breakage. HB lead tubes are made of 100% recycled plastic.

Pentel EnerGel Deluxe **RTX** Retractable Liquid Gel Pen

High performance ink technology combines the best qualities of liquid and gel ink for a super smooth writing experience. Made of 54% recycled plastic.

Extra Smooth, Extra Bold

Xtra Comfort Mechanical Pencil

Non-refillable mechanical pencil with three full-length leads housed in a vibrant barrel with a comfortable rubber grip.

Brite Liner Pen Style Highlighter

The chisel tip delivers both broad and fine strokes and the Soft Grip provides comfort and control. Non-toxic ink won't dry out with cap off for up to 8 hours.

Cristal Xtra Bold Ballpoint Pen

The 1.6mm ballpoint delivers extra smooth and bold writing and the translucent barrel allows for visible ink supply.

Wite-Out Brand Mini Correction Tape

Easy to use for lefties or righties in a convenient size for easy storage.

Leave Your Mark on Second Semester

FOR THEIR HIGHLIGHTING NEEDS

The recognized brand for long-lasting quality. The bright, read-through colors are ideal for accenting anything and the durable chisel tip is perfect for underlining or highlighting.

FOR THEIR WRITING NEEDS

A Sharpie specially designed for everyday writing needs, for taking notes, journaling, writing letters, making cards, and more. Available in fine and medium points that deliver precise and consistent writing with minimal effort. Smear-resistant, non-bleeding, and non-toxic.

FOR THEIR DRY-ERASE NEEDS

These markers contain specially formulated low odor ink. The intense colors are visible from a distance and deliver bright, vivid messages.
