A pair of black, cylindrical earbuds with a matte finish. One earbud is positioned vertically in the upper center, showing the 'urbanista' logo embossed on its side. Another earbud is positioned horizontally to the right, showing its circular speaker grille. A third earbud is partially visible at the bottom right, showing two small orange dots. The background is solid black.

## Natural pen-like experience in a stylus

A perfect iPad stylus, the Adonit Neo Pro comes with tilt sensitivity and a natural pen feel. No more cables needed with wireless charging when clipped on to an iPad.

LAUT™

# Crystal clear protection

Upgrade to ultra-tough 9H anti-shatter, anti-scratch Tempered Glass with LAUT's CRYSTAL series. Ultimate protection while preserving the original aesthetics of the iPhone.

## Inspired by the modern wanderer

Give students serious, real-world drop protection with the Urban Armor Gear Scout Series iPad Case. The Scout Series offers premium drop protection in a slim and lightweight package, essential for students that study on the go.

- Advanced featherlight composite construction and impact resistant soft core.
- Smart auto/wake sleep folio cover stand to transform tablets into laptops.
- Raised protective screen.
- Dedicated Apple Pencil storage.
- Precise cutouts for easy access to all features like ports, buttons, and speakers.

A close-up photograph of the back of a dark-colored iPad case. A white Apple Pencil is stored in a dedicated holder on the back of the case. The camera and flash are visible in the upper left corner. The case has a textured, composite appearance.
