Apple unveils M2 Pro & M2 Max: Next-generation chips for next-level workflows

Source: Apple Magazine

Never hurts, never falls out

The JBL Endurance Peak 3 keeps up with active students, pumping motivational playlists with up to 50 hours of playback and rich JBL Pure Bass Sound. The durable IP68 dust and waterproof design can handle the dustiest running trail and the sweatiest gym session, while a bendable TwistLock™ ear hook enhancer ensures a secure, comfortable fit that stays in no matter where their workout takes them.

**Complete their
desk setup**

A pair of black, cylindrical earbuds with a matte finish. One earbud is positioned vertically in the upper center, showing the 'urbanista' logo embossed on its side. Another earbud is positioned horizontally to the right, showing its circular speaker grille. A third earbud is partially visible at the bottom right, showing two small orange dots. The background is solid black.
