**TEXAS
INSTRUMENTS**

holidays don't stop the hustle

Having a hard time picking a gift for the practical one in the family? Texas Instruments' graphing calculators are the perfect preparation for the spring semester and necessities for every STEAM student. In colors like coral, rose gold, and mint, Texas Instruments has something suited for anyone's style.

Livescribe™

take note of the livescribe smartpen

The Echo II Smartpen allows students to record everything they hear, say, or write, for optimal studying capacity. With the ability to replay audio from Livescribe paper or other device, this smartpen is the perfect gift for any technology-interested student.

iHome®

big sounds, anywhere

Stock up on iHome waterproof Bluetooth® speakers

Whether students are at the beach, singing in the shower, or just hanging out with friends, an iHome waterproof, sand proof, and floatable Bluetooth® speaker is the perfect gift for any situation. With its long-lasting battery life and color-changing 360 LED lights, the iHome PLAYGLOW+ and PLAYGROW PRO Waterproof Bluetooth® Speakers are the perfect option for students who love being the life of the party.

iHome®

give the gift of a portable party

Stock up on iHome mini Bluetooth® speakers

If students prefer a more compact speaker, iHome offers the PLAYGLOW MINI Waterproof Bluetooth® Speaker and the Mini Bluetooth® Speaker, both with long-lasting battery life and color-changing modes to fit any vibe. Give students the gift of creating the soundtrack for their next adventure, whether they prefer big sounds or convenient portability.

create content anywhere

Make creating content easy with emerge kits

Emerge offers creator sets and kits to allow the social media-obsessed students to start making content on their own terms. With the portability of the Content Creator Studio and the tools that come with the Helix Content Creator Portable Studio Kit, Emerge has the perfect gifts for students that dream of going viral.

Content Creator Studio

Featuring a portable tripod and built-in LED light.

Tripod Selfie Stick

Featuring a tripod selfie stick with LED ring light and wireless remote.

Helix Content Creator Portable Studio Kit

Featuring an LED ring light, microphone, tripod mount, and universal holding rig.

new year, new plans

Buying a gift for the organized student has never been easier! The Quartet Unframed Magnetic Dry-Erase Calendar Board is a vision board, assignment tracker, and personalized planning tool—the perfect gift to help them make the most of the new year.

GOALS

have a brite holiday season

BIC® Brite Liners are perfect for the organized artist of the family

These highlighters have a chisel tip that allows for both broad & fine strokes—perfect for notetaking or doodling. Brighten up bullet journals, pictures, or notes with multicolor highlighter packs.

DURACELL®

don't go dark this holiday season

The Duracell Coppertop AA and AAA Batteries can power even the brightest lights this holiday season. Show off products with these easy displays to help students light up their spaces all season long.

luggage going green

Suitcases and duffle bags made from recycled PET bottles

Whether they're traveling, staying overnight at a friend's, or lugging notebooks around campus, all students need a high-quality bag. With Solo New York's Re:cycled collection, students can have luggage they trust while they save the world one bag at a time.

polaroid create memories in a flash

Stock up on Polaroid instant cameras

Polaroid is back with updated versions of their classic cameras. The new Now and Now+ Generation 2 Instant Cameras are made with 40% recycled materials and the Now+ Instant Camera is app-connected, giving users enhanced creative control.

If students are looking for a more portable option, they may be interested in the Go Generation 2 Instant Camera—the smallest instant camera in the world. Made of 30% recycled materials, this is a dream for environmentally conscious students who love to take pics on the go.

all the fa la la's

Have karaoke night, every night

There's no better way to get into the holiday spirit than by crooning along to your favorite carols and thanks to JBL's Partybox On-The-Go Wireless Speaker, it's never been easier! The Partybox speaker is splash-proof and equipped with 100W output power, up to 6 hours of nonstop audio, and Bluetooth and USB connections. It comes with a wireless mic and strap and built-in mic and guitar input, so students can have the time of their lives with ease.

urbanista 'tis the season to treat yourself

Get the gift of unmatched audio

Say hello to Urbanista's solar powered headphones. Groundbreaking Powerfoyle solar cell material technology meets incomparable quality in the Phoenix and Los Angeles Solar Powered Headphones.

minioke? yes, please!

The perfect size for student dorms and apartments, the Sway Audio Minioke LED Go Portable Karaoke Speaker is a great gift for students who love to sing. Don't let its little size fool you, this speaker packs a punch. When it's not in party mode, it functions as a regular speaker with rich audio quality and up to six hours of continuous playtime.

- 5-Watt Bluetooth speaker
- Multi-ambient mode LED lighting
- Up to six hours of continuous playtime with the microphone and LED lights in use
- 2.4G wireless microphone
- Type C charging ports

give the gift of new tech

The Dell Inspiron 16 5620 comes equipped with AMD Ryzen™ 7000 series processors, Dolby Atmos™ spatial audio, and a 16:10 screen display, making it the perfect laptop for students and future professionals. Designed with sustainable materials, the laptop also has AI noise reduction for video calls and a large touchpad for increased control. With a one-year premium onsite warranty, students don't even have to stress about accidents—Dell has them covered.

The do-it-all Inspiron 16 5620

for the gamers in the family

Keyboards, headsets, and mice

Explore Dell's Premier keyboard and mouse and Alienware's Tri-Mode wireless gaming headset.

Dell Premier Multi-Device Keyboard and Mouse

The Premier Multi-Device Keyboard and Mouse can connect to up to three devices and allows students to seamlessly switch across devices with the connection-mode button on the keyboard and mouse. With 12 personalized keys, students can program frequently visited websites and applications, resulting in easy access with just the click of a button.

Alienware Tri-Mode Wireless Gaming Headset

With a futuristic look and versatile connection options, the Alienware Gaming Headset is the perfect gift for avid gamers. Users can enjoy crisp audio with Dolby Atmos™ and relay information without distractions with the Active Noise Cancelling mode.

the best in the business
