

## RESULTS FOR TODAY AND FOR TOMORROW

Space-saving charging and storage solutions for your laptops, Chromebooks, tablets and handheld devices.

**Visual Management:** The innovative open door concept allows for quick inventory of devices with just a glance.

**User Friendly:** Cords are held tightly in place with a cable pinch point at the front of each shelf so cords never get tangled.

**Security:** Lock the front door and side panel with separate keys, keeping your devices and power bricks secure.

**Quality Materials:** Made with lightweight aluminum that acts as a heat sink to keep devices cool and increase their longevity.

**Convenient Sliding Panel:** Allows convenient access to power strip and bricks, with a keyed lock.
