

Hybrid Meetings with TOTEM 180

Create a highly efficient and immersive meeting environment and bring teams together in an instant. IPEVO TOTEM 180 is a unique, portable conferencing camera, that can be instantly deployed in the meeting room where it's needed.

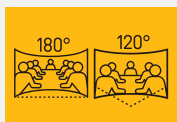

180° Panoramic Image

Capture everyone at the table via two 4 MP cameras that provide a seamlessly stitched 180° view, free of spatial distortion.

Portable Camera for Multiple Meeting Rooms

Deploy TOTEM 180 in any meeting room and instantly upgrade it into a hybrid conferencing space. All it takes is to plug in a USB cable. Bring teams together anytime you need to, without waiting for conferencing room availability.

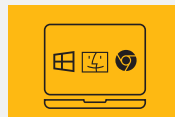

Two Camera Modes

When huddling, you can switch to the 120° camera mode to adapt the view to fewer meeting participants.

AI-Enhanced Meetings

Activate AI Stage Auto Framing, and it will automatically follow the movement of the presenter, or it will frame all the meeting participants, keeping everyone in the shot.

Works with Everything, Instantly

Plug and play compatible with Zoom, Google Meet, Skype, Microsoft Teams, and more on Windows, Mac, and Chromebooks.
