Fuse AUDIO Mix Vintage Aesthetics with Modern Technology

Fuse Audio's products offer fun ways to listen to high-quality sound while enjoying a vintage feel through impeccable design and functionality.

Fuse Audio WRAP Vertical Vinyl Record Player

The WRAP Vertical Vinyl Record Player has a unique vertical orientation that highlights your favorite records, with an additional notch on the back to display an album sleeve. The Player also comes with Bluetooth®, so users can take advantage of old and new ways to listen to their favorite tracks.

Fuse Audio VINT Retro AM-FM Radio with Bluetooth®

The VINT Retro AM-FM radio marries classic design with modern convenience with a wireless Bluetooth® connection and wireless Qi charger.

Stay Organized All Year Long

Define offers organizational tools for students, including planners, journals, and notebooks, designed to boost productivity and streamline academic endeavors. Planners come in multiple colors to suit unique preferences and feature dedicated spaces for course schedules, assignments, project due dates, club meetings, weekly priorities, to-do lists, and work-study hours.

Brea Reese[®]
FINE ART MADE EASY

Prioritize Creativity with Brea Reese

Brea Reese is the ultimate vendor for art supplies and other creative products. Art is always welcome on college campuses, whether it be for stress relief or just for fun, so be sure to stock up on Brea Reese projects.

No Artistic Skills? No Problem!

The Brea Reese Nature Scratch Art Paper Pad is perfect for students to create stress-free art. They can follow outlines on each page and scratch as much or as little as they like.

Light Up the Room

MCG Innovations builds every product with the future in mind, creating lighting and room décor that allows students to make any space their own. From dorm rooms to office desks, MCG Innovations has products for everything.

Squishy Color-Changing Touch Light

These color-changing squishy lights are perfect to add some personal flair to any room. Simply tap the top of the mushroom and watch the light change to any color in the rainbow.

LED Curtain Lights

Students can create their own ambience with MCG Innovations' LED Curtain Lights. This 8-strand curtain has the perfect amount of light to give any space a warm glow.

DSC FACTS: RETAIL RESOURCES YOU SHOULD CHECK OUT

The Douglas Stewart Company provides resources full of information and products we believe are perfect for your stores' needs, from back-to-school shopping to technology restocks. Explore our many publications below!

1 APPLE ACCESSORIES GUIDE

Use **this guide**, which is published every fall and spring, to keep up with all Apple-related accessories, from phone cases to MagSafe accessories. In addition to Apple accessories, each guide also comes full of Apple facts for you to learn about their recent changes and updates.

2 RESELLER'S EDGE

This **quarterly publication** is designed to show off each season's bestselling products from top vendors. Explore seasonal trends and find out what's new from our vendors.

3 CONSUMER ELECTRONICS TECH GUIDE

The **CE Tech Guide** is published every summer and contains tons of tech vendors and their bestselling products. Check out the best in audio, hardware, charging, and more with this digital guide.

4 BACK-TO-SCHOOL PRODUCT GUIDE

This guide is the perfect overview of what to stock your stores with before the fall semester begins. From school supply basics to tech accessories, the best Back-to-School products are all housed in this helpful guide.
