

Adobe Presenter Video Express 11

Your personal video studio.

Annual subscription price
\$9.99/month

With Adobe Presenter Video Express 11 you get a personal video studio right at your desktop. Save time, money, and effort while you create, edit and mix interactive HD videos, and transform the video viewing experience. Seamlessly deliver a multidevice viewing experience, and enable the content for analytics.

Interactive videos. Do it fast. Do it yourself—Create, edit, and publish rich, interactive HD videos in just three steps. Capture anything on your screen or your webcam feed, or bring in videos from your tablet, phone or any external source. Mix them any way you want and include quizzes to better engage viewers. Use your videos for product demos, distance learning, customer support, as marketing collateral or social media content, and more.

Experiential videos. Say goodbye to boring—Transform your videos from drab to fab. Achieve studio-like quality in seconds using dynamic background replacement. For example, switch from your mundane office setting to the hustle and bustle of Times Square, or turn your home office into a corporate branded backdrop. Enrich videos with a wide range of customizable backgrounds, effects, annotations, branding elements, introductory and concluding clips, and more.

Publishing and tracking. Reach out. Find out—Reach your audiences where they are and discover their viewership and interaction patterns. Make your videos easily accessible by publishing them as HTML5 or MP4 to a wide range of options, such as YouTube, Vimeo, desktops, and tablets. Get insights via analytics on content consumption when you publish to various platforms.
