FULLY WIRELESS, FULLY PORTABLE

Without Wires, the Sky Is the Limit

Outdoor Tech strives to blend modern lifestyles in the age of mobility with the drive to be outside. Their development has been shaped by this constant push and pull to stay connected but not tethered. Mobile devices have reshaped how we live, but standing alone, they merely scratch the surface enhancing our lifestyles. Let your students experience their lightweight, super durable, portable tech solutions—perfect for the beach, the slopes, the tailgate, or everywhere on campus.

Adapt—Bluetooth Headphone Adapter

The possibilities are endless with ways to use this Bluetooth Headphone adapter. Receive hand-free calls anywhere, at any time. With a wireless range up to 30 ft. your customers' phone could be in the car while they're listening to music on the beach.

TAKING LAPTOPS TO NEW HEIGHTS

Introducing the most versatile laptop and equipment stands yet.

Crane Hardware, a professional manufacturer leading the industry for the highest quality adjustable laptop, tablet and electronic device stands, have released the new Crane Stand Elevate as well as the tried and true Crane Stand Classic. Both of these light-weight, durable and portable laptop, tablet and electronic device stands have been developed to meet growing industry needs for an ergonomic and space-saving work space.

Crane Stand Classic

The Crane Stand Classic is fully adjustable, lightweight, portable, and can be used with many different devices such as laptops, tablets, controllers, MIDI devices, and projectors. It features a sturdy powder coated steel frame with an aluminum knob and lever set.

White | DSC# 67044 | Vendor# CV3-CLC-WHT
