# Deliver excellence in eSafety with Bloxx

## Simplify CIPA Compliance, Safeguard Students Online, & Manage BYOD with Bloxx's Industry-Leading Web Filter

Bloxx technology delivers the best learning environment without compromising e-safety, or over-blocking educational content.

Bloxx enables you to develop a fully managed system, where age-appropriate policies can be set, risk is managed, and students can benefit from the wealth of resources the Web offers.

**Ask about our Deal Reg program—10% discount on \$10K+ orders!**

### Web Filtering

Bloxx education solutions safeguard against inappropriate web browsing, eradicate anonymous proxies, manage social media use, simplify BYOD, and effectively manage bandwidth to protect network performance.

#### Bloxx Web Filter—Designed with education in mind

- Real time dynamic content analysis and categorization
- Full SSL content inspection
- Enforced safe search
- Real-time search alerts
- YouTube for schools integration
- Flexible policy management
- Social media controls
- Bandwidth control
- Customizable reporting
- Mobile device filtering
- Gateway security
- AUP management controls
- Unlimited technical support
- Online training platform
- CIPA compliant
- Policy management
- Google authentication
- Single sign-on for BYOD
- Multiple deployment options
- Reduced IT management time

### Secure Web Gateway

The Bloxx Secure Web Gateway combines all the features from the Bloxx Web Filter with industry-leading Sophos behavioral technology, to provide unsurpassed filtering and protection against inappropriate content, and advanced malware protection to minimize threats.

### Email Filtering

The Bloxx Email Filter goes far beyond traditional spam filtering to provide real-time content analysis and categorization of emails based on the top-level domain of the sending email address, URL links contained in the email, and body text and attached images in the email.

# Polaroid CUBE™

## AN ICONIC ACTION CAMERA FROM AN ICONIC BRAND

This versatile, high-performance Polaroid Cube is sheer fun. The camera is tiny, cute, easy to use, and produces great photos and videos! With a 124 degree wide-angle lens shooting 720p/1080p video at 30fps, users can capture every bike ride, camping trip, or concert.

The Cube bumper case adds extra protection while maintaining the charm of the action camera. The silicone case features an aluminum carabiner that makes this camera wearable.

Users can take their Cube scuba diving, water rafting, or swimming with the Cube waterproof case. The case easily attaches to the tripod, helmet, bike, or strap mount, so go ahead and make a splash.
