Plans that fit your district's needs

Beacon offers districts three tiers based on the readiness of your student safety program.

Beacon Starter

Best for:
Schools with GoGuardian Admin wanting to provide support for students engaged in active planning, the most urgent stage of suicidal ideation.

- Included with GoGuardian Admin
- **1** Suicide and Self Harm alert category: Active Planning

Beacon Core

Best for:
Schools that are ready to reinforce their student safety program with comprehensive alert coverage.

- **5** Suicide and Self Harm alert categories
- **4** Threats and Violence alert categories
- Comprehensive alert dashboards – **NEW**
- See previous actions taken by staff
- Complementary onboarding

Beacon 24/7

Best for:
Schools with the desire and ability to receive phone calls for human-reviewed Active Planning alerts.

- **5** Suicide and Self Harm alert categories
- **4** Threats and Violence alert categories
- Comprehensive alert dashboards – **NEW**
- See previous actions taken by staff
- Complementary onboarding
- Customizable shifts and alert notification settings (school hours, weekends, and holidays) for Active Planning alerts – **NEW**
- Trained safety specialist available to review and escalate active suicide planning alerts
