# GRIPCASE

The Ultimate iPad® Case for Maximum Portability, Handling and Protection

Introducing GripCase – the ultimate solution for iPad device protection and transportation. With ergonomic handles, a lightweight, shock-absorbent foam body, and smart design, GripCase provides convenience, control and security.

## Features:

- **Handling** - GripCase has a continuous protective bumper that doubles as ergonomic handles on all sides, giving the user complete control and confidence when using their iPad.
- **Protection** - GripCase features a “crumple zone” between the body of the iPad device and the bumper corners. This crumple zone absorbs the energy created during an impact and directs it away from the iPad device.
- **Portability** - The slim design and 7.5 ounce weight makes the case ideal for travel and all users, regardless of physical capability
