- Features EXTRA BASS™ for deep, punchy sound
- Up to 16 hours of battery life
- Super-compact with travel strap
- Add an extra speaker for stereo sound
- Hands-free calling

# it's time for an upgrade

## Stock up on the Inspiron 16 Laptop

Help your customers self indulge this holiday with some new tech. Get best-in-class experience with Windows 11 and Dell PCs.

### Dazzling display

Potentially harmful blue light emissions are reduced with the TÜV Rheinland certified ComfortView software and DC dimming reduces flicker, making extended screen time easy on students' eyes.

### Environmentally conscious

Inspiron 16 is EPEAT Silver certified and 100% of the painted parts use low VOC waterborne paint. Packaging trays use 100% recycled paper while other packaging components are comprised of up to 90% recycled materials.

### Keep it convenient

ExpressCharge powers this device up to 80% in an hour, so students aren't tethered an outlet.

ALIENWARE™ 

# unprecedented immersion

**Give gamers the crystal-clear audio  
& three-dimensional precision they want**

Alienware's Tri-Mode Wireless Gaming Headset is tuned for perfection and the perfect gift for students looking to level-up their gaming.

## **High-end sound**

40-mm Hi-Res Certified Drivers deliver a wide range of frequencies & help detect the slightest of in-game sounds.

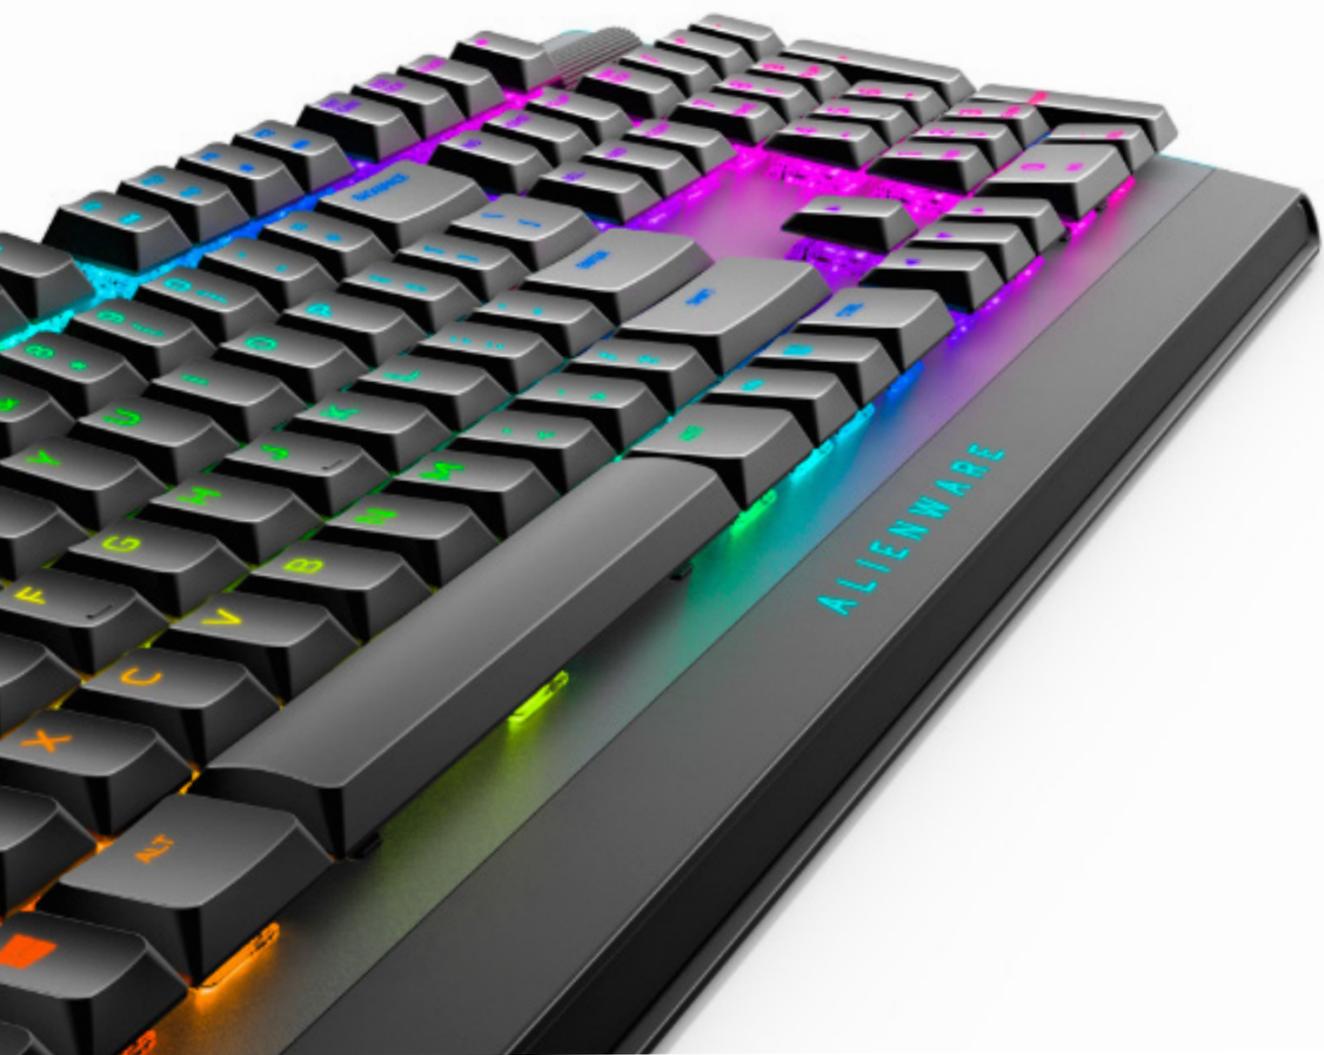

## **Hear every step**

Active Noise Cancelling gives the focus they need with four integrated microphones that work harmoniously to drown out external noise.

## **Relay any command**

Improve communication between gamers and their squad with the AI Noise-Cancelling Microphone to clear out ambient noise.

ALIENWARE™ 

# gear check

## Stock up on gaming accessories

The Alienware Low Profile RGB Mechanical Gaming Keyboard is a beautifully designed, full-featured gaming keyboard offering programmable keys and dedicated volume control. Made for ultimate performance.

Includes dual mode wired & wireless gaming mouse with rechargeable lithium-ion battery & seven programmable buttons for performance that takes no prisoners.

 Microsoft Surface

# 'tis the season to treat yourself

**Grab this fan favorite for the holiday season**

Are your students looking for an ultra-thin device with an edge-to-edge touchscreen & LTE connectivity? Treat them this holiday season with the Surface Pro X, the thinnest & lightest Pro device built for always-connected productivity.

# surface pro x

Meet the totally mobile Pro. Always with students, instantly ready, and designed to light up the best of Windows 11. Keep up anywhere, at any angle, with a 20 hr battery life, detachable keyboard, and built-in Slim Pen storage and charging.

## **13" PixelSense touchscreen**

More vertical screen real estate than a typical laptop.

## **Thinnest, lightest Pro**

Starting at just 1.7 pounds.

## **Optional Gigabit LTE**

Stay connected with blazing fast, consistent speeds.

POPSOCKETS

# grip holiday buyers

Check out PopSockets MagSafe products, the PopWallet+ and PopGrip. Both allow for wireless charging while still offering the signature PopSockets swappable self-expression.
