Strikeline Heavy Duty Premium USB Charge and Sync Cable 4ft USB-C to USB-C

Supports USB-C Power Delivery and fast-charges compatible devices up to 4 times faster than conventional USB-A when using USB-C power adapters or any Power Delivery wall charger.

Strikeline Heavy Duty Lightning® Charge and Sync Cable 4ft USB-A to Lightning

MFi certified, this USB-A to Lightning® cable has full compatibility with all Apple Lightning devices. It is equipped with a convenient slim-tip Lightning connector and fits flawlessly with most device cases without removing the case.

Strikeline Heavy Duty Premium Charge and Sync Cable 4ft USB-C to Lightning®

MFi certified, this USB-C to Lightning® cable has full compatibility to fast charge Apple Lightning® devices. With revolutionary features of USB-C to Lightning technology, Scosche created one of the fastest data transfer rates and quickest charge times on the market, which means students can rely on their devices when on the go.

CONNECT DEVICES WITH EASE

The variety of devices students use, from phones to laptops to tablets, can make it hard to connect them and transfer information from one device to another. With Scosche's Strikeline Heavy Duty charge and sync cables, students can connect and charge electronics with ease.

HyperGear Flexi USB-C to MFi Lightning® Flat Cable

With the HyperGear Flexi USB-C to Lightning® MFi Flat Cable, students can charge their iPhone® or Lightning-enabled iPad® from 0 to 50% in just 30 minutes. Lasts 20 times longer than standard cables.

HyperGear USB-C Power Delivery Wall Charger 20W

This compact wall charger delivers a rapid 20W USB-C PD output that will fast charge their phone from 0 to 50% in just 30 minutes—up to three times faster than a 5W charger. Compatible with the latest iPhone® and Android smartphones.

Naztech Fast Charge USB-C to MFi Lightning® Cable

If students are in their dorms, apartments, or libraries, where outlets can be few and far between, the 12ft extension will put it in easy reach. Help them upgrade their everyday cable to a high-speed USB-C PD charger so they can cut their daily charging time in half.

Sharpie®

Bold, Vibrant Lines

Sharpie products are perfect for students who want smear-resistant, bold writing, drawing, and highlighting.

Pen Style Pocket Highlighter

Pen Style Pocket Highlighters feature Smear Guard smear-resistant ink and Easy Glide chisel tips for a smooth highlighting experience. They come in many colors, including Blue, Orange, Pink, Yellow, Green, and Purple, so students will always have the perfect color at their fingertips.

S-Gel Pen

The S-Gel Pen has no smear, no bleed technology, giving students an unmatched writing experience. This pen offers vivid strokes while the contoured rubber grip is built for comfort, making writing that much easier.
