Why TWT Audio?

TWT Audio is a customer-focused company. Every detail of the user experience is carefully considered and enhanced in each of our designs. We don't confuse our partners and customers with exhausting lines of the same types of products.

Instead, we design the best version possible to make decisions easy and straightforward. Our experience, accompanied with feedback from users, allows us to create better products for the classroom, workplace and home or on the go.

Be a salesperson...not an order taker

- Think about your recent Chromebook sales
 - Did you attach?
- If you attach you satisfy the customer's needs, you create "stickiness" and you complete the sale
- If you don't someone else will
