Embrace the Freedom of Scalable Wireless Audio

# VOCAL HUB

WIRELESS AUDIO SYSTEM

**IPEVO**

# Have you experienced the **frustration** of...?

- 01** Dealing with time-consuming audio system installations and wiring?
- 02** Struggling to be heard clearly, resulting in needing to raise participants' voice or constant movement to find the "sweet spot" near the audio device?

# For Scattered Team Tables or Any Spaces without Any Media-Related Setup

## Upgrade Your Boardroom: No Installation or Wiring Required

Transform Any Space Into a Hybrid Conferencing Hub  
with Plug-and-Play Wireless Connectivity

**IPEVO VOCAL HUB**

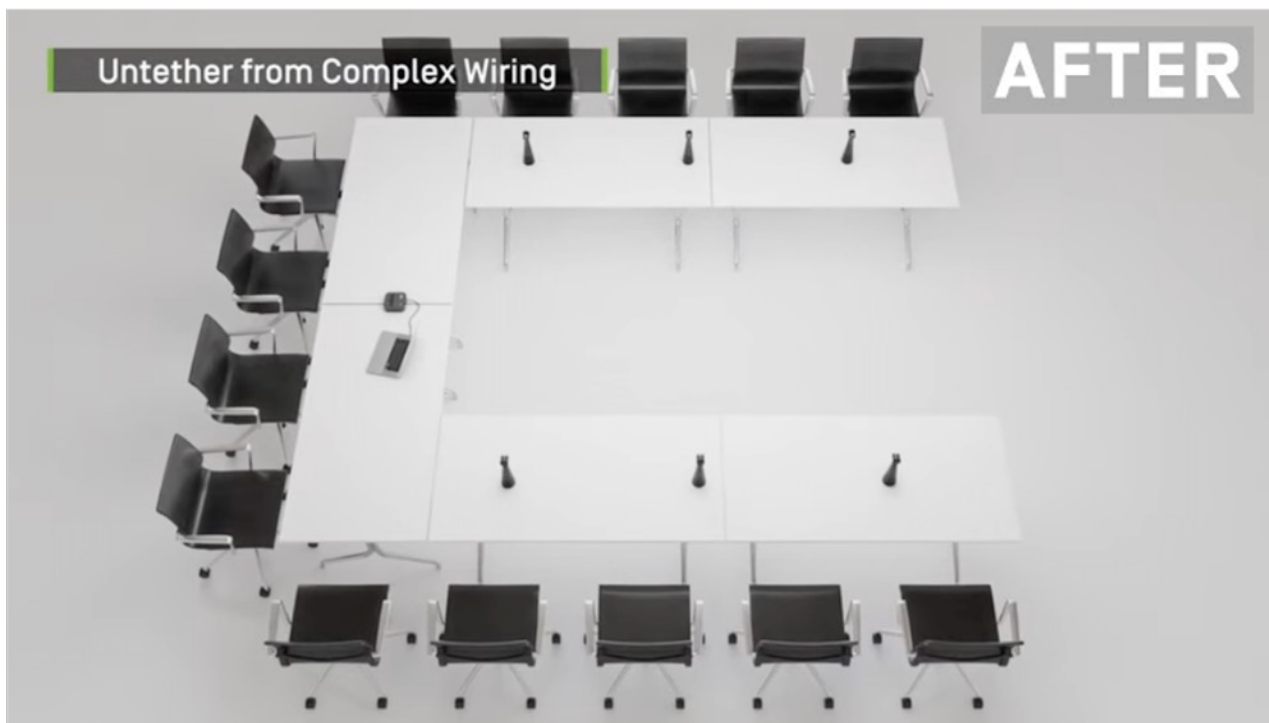

**Transform any space  
into a hybrid  
conference room with  
plug-and-play  
wireless connectivity!**

**Upgrade your  
boardroom: No  
installation or wiring  
required.**

# No More Complex Wiring

# Upgrade Any Space to 'Hybrid Conferencing Ready' with an Amazingly Efficient Approach in Minimal Time and Cost!

- 01** **No Pre-installation or Wiring Required. Go Wireless.**
- 02** **Unique:** You won't find anything similar anywhere else.
- 03** **Collaborate with Professional Channel Partners**

# VOCAL

Bluetooth Speaker with AI Beamforming & 2-Way Noise Reduction

The IPEVO VOCAL HUB wireless audio system empowers your conference room (**or even spaces without any media setup**) with perfect wireless audio. It enables people to listen and be heard clearly through its wireless and flexible design, providing excellent coverage."
