3Doodler Flow

AGES 14+

3Doodler Flow Essentials Pen Set

- **Works with 1.75mm spooled plastics**, so you can use your favorite filament with ease and doodle for hours.

- **The pen features an attached power cable**, eliminating any concern about losing the proper cable or connecting to the wrong port.

- **A new integrated LCD screen** offers a clear and concise way to set the temperature and choose the correct setting for each material, making it easy to achieve the desired result.

- **Includes new "halo" light indicators and upgraded design features**, plus enhanced engineering and controls that simplify use and reduce the risk of jams.
