## Take a Closer Look

With the food-safe 3Doodler Chef, you'll be making stunning sugar sculptures in no time and with less mess. The pen design is packed with useful everyday features such as removable, machine-washable parts.

## Change the way you decorate

It can be as simple as writing your name on a cupcake, building an impossibly tall column of cookies, or as complex as making an edible Eiffel Tower for your show-stopping cake - 3Doodler Chef helps transform the ordinary to the extraordinary in an instant.

## 5 Incredible, Edible Colors

3Doodler Chef uses isomalt, a sugar substitute that comes in five vibrant colors.
