ALIENWARE AW2518H MONITOR

Alienware's new 25-inch Gaming Monitor packs premium gaming performance features into a captivating display. Featuring iconic Alienware design, custom AlienFX lighting, 240Hz refresh rate with 1ms response time, and NVIDIA G-SYNC™ technology with Ultra Low Motion Blur technology for smooth responsive gameplay. See gaming differently with NVIDIA G-SYNC™. This breakthrough display technology eliminates screen tearing and minimizes display stutter and input lag to deliver the smoothest, fastest, most breathtaking gaming. NVIDIA Ultra Low Motion Blur technology enables object in motion to look sharper than they do during standard operations. Comes with wide connectivity options such as DisplayPort 1.2, HDMI 1.4, audio-out, headphone-out and 4 USB 3.0 ports.

What's in the box: Power cable, DP cable and USB 3.0 upstream cable.

ALIENWARE AW2518HF MONITOR

Alienware's new 25-inch Gaming Monitor packs premium gaming performance features into a captivating display. Featuring iconic Alienware design, 240Hz refresh rate with 1ms response time, and AMD FreeSync™ technology for an effortlessly smooth gaming experience. AMD FreeSync™ eliminates choppy gameplay and broken frames with fluid, artifact-free performance at virtually any framerate. It synchronizes GPU and monitor, displaying full frames only when the monitor is capable of displaying them.

No stuttering. No tearing. Just gaming. Comes with wide connectivity options such as DisplayPort 1.2, HDMI 2.0a, audio-out, headphone-out and 4 USB 3.0 ports.

What's in the box: Power cable, HDMI cable and USB 3.0 upstream cable.
