# Transfer Files at Lightning Speed

## Introducing the new iMemStick

### Zero Lemon iMemStick

A USB and MFI Certified Lightning connector all-in-one, the iMemStick flash drive allows transfers of files between an iPhone®, iPad®, and computer. This is a fast and simple way to transfer files from commonly used devices without the Internet or cables. With storage starting at 32GB, sharing files between people has never been easier. Users can directly playback audio and video files stored on the memory stick, giving the iPhone more storage than ever before.

## No Screen Too Small

### Jot Mini Stylus

The Jot Mini is built for a mobile lifestyle—its aluminum and steel body is professional and sleek. This stylus is more precise than a finger on a phone screen, The Precision Disk writes exactly where it's placed. Simply touch the Jot Mini stylus to any touch screen and start writing.

# Bringing Notes to Life

## The Smartpen Collection.

With the Livescribe 3 Smartpen and the Livescribe+ mobile app, simply write on paper and watch it instantly appear on your tablet or smartphone. Users can create tasks, reminders, calendar events, new contacts and more, right from their notes. They can use the mic on a tablet or smartphone to add recorded audio that's synced with their handwriting so they can be sure they'll never miss a word. They can quickly share notes and ideas with friends and colleagues. Get more done in less time—all with just a few quick taps of a finger. Compatible with iOS and Android!
