NEW PRODUCT

SMART CHARGER

The Smart Charger is a small and portable 2-in-1 charger. When plugged in the wall, it acts as a standard wall charger. When removed from the wall, it acts as a portable power bank. Get the best of both worlds combined into one small product.

Smart Charger 3X

The 6700mAh battery will recharge a phone up to 3x and the built-in charging arm means users do not need extra charging cables. The 3x also contains an additional USB port to charge two devices simultaneously. Choose either a Lightning charging arm (2.4A Rapid Charge output) or a Micro-USB arm with QuickCharge 3.0 Technology.
