LENOVO HAS ARRIVED.

Lenovo is the world's #1 provider of educational technology. Providing solutions to higher institutions to assisting an undergrad through college, Lenovo is built for labs to libraries and everything in between.

INNOVATION

From award-winning keyboards to watch-inspired hinges, Lenovo is renowned for thinking outside the box when it comes to their machines.

CUSTOMIZE IT

Depending on the student and their course of study or hobbies, the Lenovo experience can be enhanced with RAM, graphics cards, memory, processors, and more.

VARIETY

Students have a range in budgets and so does Lenovo. Find a solution for nearly all computing needs for nearly every budget.

RELIABILITY

Lenovo systems undergo stress tests to meet rigorous reliability standards. Many of their laptops pass 8 military tests for extreme conditions with dust and vibration, heat, cold, altitude, water, and humidity.

SUPPORT

Lenovo is consistently ranked as a top provider of customer support; they know how to provide users with the information they need.

To learn about deal registration and volume pricing opportunities, call your Account Manager at 800-279-2795.

Lenovo[™]

Hit the Brakes— THE NEW XPS 15 IS HERE!

XPS 15

Meet the smallest 15.6-inch laptop on the planet.

The world's only 15.6-inch InfinityEdge display: The virtually borderless display maximizes screen space by accommodating a 15.6-inch display inside a laptop closer to the size of a 14-inch, thanks to a bezel measuring just 5.7mm.

One-of-a-kind design: Measuring in at a slim 11-17mm and starting at just 4 pounds (1.8 kg) with a solid state drive, the XPS 15 is the world's lightest 15-inch performance-class laptop.

Dazzling detail: With the UltraSharp 4K Ultra HD display (3840 x 2160), users can see each detail of every pixel without needing to zoom in. And with 6 million more pixels than Full HD and 3 million more than the MacBook Pro, edit images with pinpoint accuracy without worrying about blurriness or jagged lines.

- » 15.6-inch 4K Ultra HD (3840x2160) InfinityEdge Touch Display
- » 7th Generation Intel® Core™ i5-7300HQ Quad Core Processor (6M Cache, up to 3.5 GHz)
- » 8GB DDR4 2400 (4GBx2)
- » 256GB PCIe Solid State Drive
- » 1-Year Limited Hardware Warranty, Mail In Service after Remote Diagnosis
